

CHROMATIC

TOP UK PARTY BAND

CHROMATIC are a contemporary, high-energy live band. As one of the most popular and trusted party bands around, CHROMATIC will never fail to impress!

WHO WE ARE

CHROMATIC are a modern, high-quality party and function band, based in the UK. Formed from a collective of talented professional musicians who have previously worked together on an array of successful projects, CHROMATIC is a collaboration of performers with a great personal attitude and a stunning level of musicianship to match.

CHROMATIC pride themselves on being a band that not only delivers, but also exceeds your expectations. We guarantee to create an upbeat and exciting atmosphere at any party, wedding, function or corporate event and to have you dancing all night long!

WHY BOOK US?

CHROMATIC have a huge amount of experience and proven track record in providing entertainment of the highest quality. We deliver a high-octane performance with a fresh and exciting repertoire.

The unique live set that we perform is a high-energy show of upbeat party songs, leaning towards the modern side. We have arranged the show to flow in segue and blend together with 'mashups' and medleys that mix together in a similar fashion to that of a DJ. Alongside a synchronized lighting show and video accompaniment, with customised stage wear, we can guarantee that your guests will have a night to remember.

FAQ

How long do you play for?

We play for either 2 X 1 hour sets; 2 X 45 min sets or 1 X 90 min set.

Do you play music during breaks?

Yes, we can provide music during breaks keeping with the theme of the event. Likewise we are also happy to play any pre prepared playlists that you have through our sound system.

Do you have your own PA and lighting rig?

Yes we have our own PA and lighting rig as well as a technician.

Are you insured?

Yes, all of our equipment is PAT tested and we are fully covered with public liability insurance.

Do you do requests?

No, our performance is a set show arranged and tailored to our professionally produced backing tracks. We are constantly updating our show throughout the year to keep up with current hits.

What do we need to supply?

We will require a space of at least 6m X 4m, as well as ample power supplies. We would be happy to play outside, however, we would require sufficient cover from the elements.

How long does it take for you to set up?

We take a minimum of 1 hour to set up for an event, depending on accessibility, from the moment we load in to the end of the sound check.

How far do you travel?

We are happy to travel anywhere either in the UK or internationally.

OUR PRICES

We perform all over the UK and internationally, and therefore prices vary depending on location and requirements. Contact us today for a quote.
